

Purely Parchment - Cats

Pergamano /PCA Honeycomb Fine or Bold Grid used horizontally.

Appropriate Single needle tool

Black Blendable Pencil & blending pencil

Gold ink

Emboss Pattern (A) on grid - Outer rows are 16 flower patterns across x 18 patterns down using Pergamano/PCA Fine Grid **OR** 10 across x 12 down for PCA Bold Grid.

Turn parchment over and perforate as indicated in Pattern (B)

Trace the pattern with the black blendable pencil VERY LIGHTLY.

Remove from pattern and using cross hatch method lightly fill inside the outlines.

Blend lightly with Splenda Blenda pencil. DO NOT USE THE BLENDING HEAVILY.

Purely Parchment - Cats

Repeat colour until desired effect is achieved.

As the parchment is fibrous, colouring this way will give a more fur like effect. It should not be a thick block of colour.

Place the parchment back over the pattern. Sharpened black pencil to a fine point and draw the cats whiskas.

Cut out the perforations as shown in the photo.

Dip dot a necklace around one cat using gold ink and Medium Ball tool.
